

Taking Time to **Thank** Our Faith Family

This December, The Redeemed invites you to remember and connect someone who's helped you through your faith journey and lightened the load.

Whether you send a text or write a letter, here are some prompts to get the conversation started:

- Reflect on a person who's made a difference in your life. What characteristic(s) of God has that person demonstrated?
- How did that person's friendship impact your relationship with yourself, with God, or with others?

Now, draft a text or a letter, as short or long as you like, and share with that person why you appreciate their presence in your life. We've included a printable letter to get you started, but any card will do the trick: postcard, christmas card, or spare piece of printer paper.

**Merry
Christmas**
